AROUND THE CLUBS

Often seen together at Wests League Club after a game are Ted "Tireless" Curtis and George "Snow" Maddison. "Snow" is Ted's most ardent and critical fan. Ted although light is a fantastic tackler and fans will remember "Snow" as a good second row forward in the 1947 era.

- - -

Congratulations to Ray Beverley from the Kurri Kurri players committee and supporters. Ray today plays his 100th game for Kurri — keep up the good work Ray and we hope to see you play your 200th!

- - -

North's popular President, Jerry Lane and his Schoolboy Committee are busily organising a trip to Wollongong for the boys. Six teams in all will make the trip on the weekend 24th June.

- - -

West's star right winger W. (Big Bill) Dent turned 21 years of age yesterday, so the players, coaches and committee wish him "all the best" in his football and in his new found profession.

Cessnock was fortunate in having young Kevin Field to take Nev Hannah's position at half back in the Caltex game against Toronto. Kevin turned in a very good display and the experience gained in this game will be of great benefit to him.

- - -

Congratulations to West Schoolboy Michael McIntyre who was picked recently to play for N.S.W. Schoolboys. This is the fourth time he has represented the State.

- - -

Waratah's coach and officials are very pleased with the form of lock forward Ron Stanton this year. Still only a very young player, it wouldn't surprise on the form he is showing at present, if he doesn't represent next year.

- - -

Making a reappearance with the Cessnock Club today is Billy Robinson in the reserve grade side. Bill has not played for the Nocks for about 3 seasons, but he is keen to make the seniors and has been training hard to strike top form.

Featherweights

are boots that are designed and made to give fit and playing comfort

★ **No other boots give you that glove like feeling**
★ **You owe it to your feet to firstly try FEATHERWEIGHTS**

Obtainable from all Shoe Stores and Sports Stores the same boot as worn by all leading international Footballers.

Congrats of Maitland Club go to Bruce Killen on his selection in Newcastle rep sides.

- - -

Former Maitland players now coaching schoolboy teams are Billy Taylor, Lew Spohr and Noel Toms.

- - -

Alan Russell North's young centre is rapidly regaining form after a knee injury put him out of action early. This lad is a most promising player and could force his way into the senior grade.

- - -

Warren Bell, Maitland centre injured in first comp game will probably make his reappearance today.

- - -

Speaking of coaches, Billy Sneddon from Waratah is doing a splendid job for that side this year. By the way Billy has a very good car for sale he claims, and adds he'll consider a discount to a real good Waratah supporter.

- - -

In the recent National Heart Campaign West Juniors acted as voluntary collectors. These lads did a fine job in collecting over £90 for a most worthy cause.

- - -

The best wishes of the Kurri Club go to Mr. and Mrs. Tucker who have just celebrated their 50th wedding anniversary. Mrs. Tucker is one of Kurri's keenest supporters, only missing three games in 25 years. Thank you Mrs. Tucker.

- - -

It was pleasing to see young John Henderson, once again, hooking for the Cessnock senior side. John, a couple of years ago, was showing great promise but was unfortunate to have a rest from the game through injuries. On Sunday's game John will take some displacing from the senior ranks.

- - -

Waratah will introduce something of a personality today when coloured boy John Jacobs takes the field in our third grade side. This player has had the experienced coaching of international Bobby Banks up in Cairns, and it shouldn't be long before he is knocking on the door for promotion to a higher grade.

ONE TRY WAS ENOUGH

The Test series last year between Australia and France finished square with a draw and one win each.

In squaring the series France created a record by scoring only one try in the three Tests.

The try came 11 minutes from the end of the Third Test in Sydney and ensured a 7 to 5 victory for them.

France had drawn the First Test 8 all, all goals, in Sydney and lost the Second Test in Brisbane by 56 points to 6.
