# NORTH

About last week's game, the least said the better. It would be unfair not to mention two players:

"Dooky" Forbes playing his first senior game proved himself as one of the best.

"Doody" Woods was the other who played extra well, his tackling being a feature of the game.

The Reserve Grade Team was responsible for a extra good performance and if they can keep their form will be strong contendors for major honours. Jack Levido was again outstanding.

Teddie Levido was unlucky to break his collarbone last week and we all wish him a speedy recovery.

Our Under 20 Team gave a brilliant exhibition last week in the Patron's Cup when they won 50 to 2. It is to be hoped that the senior selectors watch these lads, for this team will produce some of the best footballers North has ever had.

"Random."
