NORTH

To-day marks the beginning of the second round and we are confident we can do as well this round as we did in the first.

Birthday greetings go to our oldest and keenest supporter, namely, Mrs. Watts, who celebrated her 90th birthday by attending the Newcastle v. France Game. This grand old lady, along with Mrs. Passmore, are the only female Life Members of Northern Suburbs.

Congratulations and best wishes for the future go to first grade centre, Frank Morrison, who was married last night.

We welcome back captain and coach, Charlie Gill to the first grade side, to-day. Charlie has been away in the Country and N.S.W. Teams. Milton Kelly, deputising for Bob Crane as first grade hooker to-day, holds a record which will take some beating. He is playing his fourth season of football and has never played in a losing team. This boy who has only just turned 17, played 3 years in the undefeated Under 16, Team and this year has played with the undefeated Reserve Grade Team.

To-day we meet West and although we beat them easily in the first round we are not taking them too lightly as they have a habit of toppling leading teams.

Don't forget the Old Players' Reunion on the 14th July. Anyone interested can get further information by contacting Jim Hattam.
