AROUND THE CLUBS

It was pleasing to Cessnock supporters to see popular Neville Hannah back in Cessnock after having played at West Armidale. Neville has been called back to his work at the mine and has been released from his contract by the Armidale club.

Lucky winner of North's radio last week was Mr. T. Moore of Georgetown, ticket No. 2659.

Cessnock star lock forward Barry Levido proved that he is just as nimble footed on a dance floor as he is on the football ground. Last Saturday night Barry gave a performance that "Joseph the Juggler" would be jealous of, when he juggled a tray of refreshments without spilling a drop.

John Newton proved himself in senior grade last week with North. He was most noticeable in attack and made a good try.

All Kurri members, players and supporters will be keenly interested by the performance of former Kurri player, Eddie Lumsden, who is playing in his first Test for Australia today against the New Zealanders. If he turns in another creditable performance, he appears certain to get a trip overseas at the end of the year. The Lumsdens must be very proud of their family as eldest brother Jack, also represented Australia in 1956 and now Eddie is carrying on the family tradition which is a magnificent effort.

Waratah had quite a good day last Saturday, with all grades scoring wins, right up from the under 12's.

Lew Sweeney again proved his worth to North last Saturday by turning out with the reserves as well as doing his other duties before and after the game. Incidentally Lew coaches a schoolboy team of a Saturday morning.
