## AROUND THE CLUBS

Congratulations to North's capt., Reg. McLaren on achieving 110 points made up of 6 trys and 46 goals. This fine effort, plus outstanding general play, has greatly contributed to his team's success.

It was pleasing to see Colin Halversen turn in such a grand game in his initial first grade match. Cessnock is hoping that he will follow in his father's footsteps and become a regular member of the senior team.

The Entrance player, John Clouton now of Lakes continues to improve, keep up the good work John.

Maitland Club says thanks to the ladies of the Social Committee who are doing a great job in the refreshment stall. Without these ladies the Club functions would be limited as the money they raise during the season is of a great assistance. We say thank you.

Kurri and Abermain-Weston Under 18 grade teams are now joint leaders in the Maitland Junior League competition. Both of these teams play the open crowd pleasing football and their meeting this weekend should prove a thriller.

Winner of the transistor radio disposed of by Lakes United at the Sports Ground was won by a 14 year old lad K. Smith of Emily St., Marks Point. The boy is one of this club's keenest supporters.

The fact that we were able to provide replacements to our depleted First grade team who acquitted themselves so well against Cessnock reflects favourably not only to Lakes reserve grade team but also to their coach Jim Scoular. Jim's thorough coaching is helping greatly to prepare his boys to go into the higher grades. Not one who has gone up this year has let him down.

A hard working family in the Cessnock Club is Ray and Daph Mathews. Ray is jersey steward and Daph is a member of the ladies' committee.

Winner of North's competition for watch last week was Mrs. Judith Robson with No. 4271.

Kurri's hard working forwards "Fud" Hargrave and Jim Bailey gave another good display against Maitland last week. Both these boys are young, vigorous forwards and have a bright future.

North's big Cabaret is on tonight at Transport Hall, Hamilton. Billy Lang's band is engaged for what should be an extra good night.

Maitland Reserve coach Terry Greenwood, is doing very well with his team this season. This team usually does well until the second round and then falls away, but Terry has instilled keenness in the team and with 100% training the result. We wish you the best of luck Terry for the semi-finals.

Neil Noble, South's League delegate, must take the award for a conscientious worker, ever ready to assist the club. It is hoped Neil will carry on for many years.
