Supporters are jubilant over the win last Saturday by the Seniors who played such a grand game with 11 men to defeat Maitland 17-15. It would be unfair to name any one player as outstanding as they all played equally as well. Perhaps one player who deserves special mention is "Tiger" Ratley for his game display in stopping to the end, although practically a cripple. It was bad luck for Frank Morrison who was ordered to hospital for attention to his eye. Frank was blinded by two bad cuts and could not have continued.

The Reserves met their first defeat—going down 9-10 and we offer our congratulations to Maitland on their win.
