Congratulations are extended to both Seniors and Reserves on their wins last Saturday. The form shown after such a long spell was very heartening to all supporters of the Club.

:: :: ::

Most pleasing features of the win was the displays given by the two wingers, Des. Ratley and Neville Norman. "Tiger" showed that with a little bit of room to move he can be very dangerous to the opposition.

:: :: ::

In the Reserve Grade, one player to show out was George Kapeen, who will be playing what will probably be his last game for some time. George has started training for his fight for the Welterweight Champ. of Australia with Kev. Delaney in three to four weeks time in Brisbane. Many happy returns to George who was twenty-one last Monday and best wishes from all your club mates in your coming fight.
