NORTH

Congratulations are extended to both teams on winning a double last week, the wins were made more meritorious, by the fact that both teams were badly disorganised through injuries.

Special thanks are given to Lance Morrissey and Jack Hawley who at very short notice made themselves available for the Reserve grade side. Both played well, Jack scoring a nice try.

Ray Campbell, playing as lock for the first time since he played there in under 16 grade, was a big success and a big factor in our win. A repetition of that form to-day could mean another win.

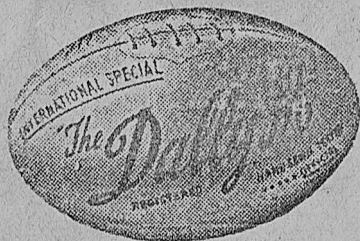

Ron Tolmie again proved his versatility by playing an extra good game as half, giving the impression that there was definite possibilities in this position for him if he decided to concentrate on that position.

Ross Magin who is improving with every game, gave his best effort last week, scoring three tries, the last one having a touch of real class.

"Doctor" Sweeney, the noted authority of dislocated shoulders, demonstrated his skill last week, and received the appropriate acclamation from the "huge" crowd present. Nice work Louis.

Members and supporters are asked to keep the 2nd September free as the club will hold a Revue Show on that date. Details later.
