# NORTH

---

Another victory last Saturday against Kurri made the Senior teams tally, seven in a row, and we are confident they can keep up the good work for the remainder of the season.

In a match in which the whole team played well, it is difficult to single out any one player, but one who deserves special mention is young winger Bill (Slogger) Burns. His handling of the ball was something that had to be seen to be believed.

Question of the week. Who is the North player who is trying to qualify for Lakes by living (lost) week-ends in their boundary.

Today we meet South and will be flat out to avenge our first round defeat when we went down 8-20 after leading for the greater part of the game.

Best of luck today boys and let's see you make it 8 in a row.
