---

Congratulations go to both Senior and Reserve Teams on their wins last week at the expense of South. The Seniors in particular showed that it has what it takes when after being down 10-0 at half-time, they came back to win 18-10.

It has been said in some circles that we should not worry about our loss of points as we have won our share of competitions. This is quite true, as we have won more competitions than any other Club, however, there is one thing of which we are proud and that is, that we have won them all on the field of play, and we have always endeavoured and will continue to foster Rugby League in our districts so we can go on winning competitions in the future.

Some heavy wagering has been done throughout the week on whether a certain fair-haired Reserve Grader (come Senior) will make the return trip from Cessnock. Latest quote is odds on he doesn't.

To-day we meet Cessnock in what promises to be one of the hardest games of the round and as we are doing it the hard way, the boys will be flat out to prove that they are definitely the best team in Newcastle.

Best of luck to-day, boys and let's see you make it 9 in a row.
