# NORTH

---

We had to wait a long while to see it, but last week it happened—the Senior team played the football they are capable of. Their performance could be summed up by saying they played as a team worthy of the name of North.

Joey Irwin played his best game and has now gained the confidence that should take him a long way in the game. His tackling being a feature of the game.

Jack Mantle is continuing to play extra well and last week was his best. However, we expect an even better effort to-day as we have learned he will have some one special watching him.

Johnnie Slade is playing better than ever. His game last week proved this and we are quite sure that given the chance of proving his form before the right people he would make the team for England.

August 4 is the night of the big Cabaret, conducted by the "Ten Little Sports". It promises to be the best show of the year—so come along and meet them in person.

There is much speculation in the town as to the reason so many "Blue Blazers" are being seen around the "Mater".

Well, lads, a win to-day can put us on the Sports Ground next week and that would mean £.s.d. So all the best.
