NORTH

Congratulations to Doug Hawke and Bob Crane on their selection for the Newcastle team to play England tomorrow at Maitland. Both thoroughly earned their selection, Bob Crane in particular setting a record that will possibly stand for years in the fact that he has played against the last four visiting English teams. Another member of our club who can count himself unlucky to miss selection is Jack Mantle who has been playing really good football and must have been very close to selection for this game.

Congratulations also go to Lakes on their victory at our expense in last week's Senior grade. The reserves, however showed they are quite capable of winning this grade, all players playing well but special mention must be made of Doug McCaw's effort. Doug, who played in the Reserves also saddled up again in the Seniors giving quite a creditable display in both games.

As this is the last time this season that the North notes will appear the committee and players wish to take this opportunity of thanking all supporters for their patronage during the season. Special thanks also to the Ladies Committee headed by Mrs. Gill and to our ambulance officer, Allan Taylor we say thanks for a job well done.
