Congratulations to Waratah on their win last week, and we have no excuses to offer. Best player on the ground was Johnny Slade, our young full-back, whose positional play and tackling was one of the highlights of the game.

The Reserves held their position on the points table by defeating Waratah Reserves. Outstanding player in this grade was Alec Perkins. This boy is one who is knocking on the door of the Seniors and must be regarded as one of the most consistent players in this grade.

"Tiger" Ratley, who made his reappearance in the Reserves, after being injured in the game against Maitland, scored two nice tries and is now unavailable for a further month.

In the senior game, to-day, we welcome back captain-coach, Charlie Gill, who resumes after being injured in the State Game in Queensland. Charlie will be a big help in the forwards as he has the happy knack of being able to chase the rest of the team on and keep them at their top.

The Old Players' Re-union will be held to-night, and anyone who intends going should get their tickets, to-day from Jim Hattam or Ron Hughes as there will definitely be no admission without tickets which will not be on sale at the door.

To-day we meet South in the second match of the day and as we need the points if we are to win the Minor Premiership, all players are asked for that little bit of extra effort that we know they can produce when it is needed, so good luck, boys, let's see you turn it on.
