NORTH

Today being the final game prior to the start of the semi-finals, we are able to report on the position of our various teams on the competition table. The Seniors, as everyone knows, won their appeal to the Country and N.S.W. League on the loss of competition points, the reason being that we could only lose 2 points for the specific match protested on. This leaves them in second place to Cessnock. The Reserves, after a shaky start, due to players being called up to Seniors and many injuries, finished third on the points table. In third grade, Stockton, one of our subsidiary Clubs, is Minor Premiers, but were beaten by the Harrington team, another subsidiary club, in the first semi-final last Saturday. In the Junior Grades, the Under 20's and Under 18's are both Minor Premiers and will play their finals tomorrow at District Park. The Under 16's after reaching the semi-finals were defeated by West. In all, the Club has had a good season, all teams entered, having reached the semi-finals, while we have three Minor Premiership to add to the already long list won by the Club over the years.
