Come to where the flavour is

MARLBORO COUNTRY

ANOTHER future "Goanna" is Colin Chapman Jnr. Dad says that he's a front rower for sure and he already has that hefty look. Colin Snr. is one of the Nocks keenest trainers and committee men.

STEVE NEAL showed tons of potential in North's third grade side last week. He also displayed some of the form that made him one of the top players in last year's pre-season's games. Steve has been selected in the first grade team for today's game and is expected to give a good account of himself.

MAITLAND Club today welcome back that grand footballer Glen Gilligan who last season was a regular member of our reserve grade side and no doubt Glen will keep those players in the higher grades on their toes.

HALF-BACK in today's reserve grade side for North is Dallas Davey. Dallas, the great club man that he is, would play any position that the selectors see fit to choose him in. The "Blues" are indeed fortunate to have a player of this calibre.

GEOFF PICKERING is currently playing great football for North's third grade side. Geoff has shown in recent games what a great player he is—his attacking play is very good and his defence has been nothing short of excellent.

IT'S an amazing thing, but young Waratah prop Larry Hill hasn't looked like missing a game this year. In fact, he is a trainer's dream, because it's a rare thing for him to even get rubbed. We hope Larry will complete the season without loss, because he is the only forward out of the original six still going strong.

COACH Bill Sneddon could have felt proud of his team last week even in defeat. With what was virtually a team of spare parts they never gave up trying and had luck broken their way, they could have pulled it out. No-one deserves more praise than captain Ron Munro, who made many breaks and must have proved that he is still number one in the business.

RON "Rowdy" DAVIE, West reserve grade threequarter is once again showing the form that had him challenging strongly for a permanent spot in the first grade early in the season. Many keen followers of the club claim that if he "gets" his chance now they would find relegation very difficult. "So get in there Ron and show em".

A WORD of praise for young Waratah centre, Mark Scobie, who in his initial first grade game took out the points for the best player on the ground. Mark has always played in the shadow of Jeff Shield, now with Balmain, but given the chance, this boy is going to be one of the best centres to come from Waratah.

APART from attending his other duties, Lakes United committee man Kevin Lynch, the man in the blue and gold jumper, does a good job in keeping the many children at Cahill Oval at a safe distance from the playing area and thereby saving them possible injury.

KEVIN TOMMERUP of Macquarie needs three points for his 100 against Maitland. If he had been on target he would have notched his century against South last week.

NEIL SKELTON makes a welcome return to football this week. Neil has been sidelined for sometime with an illness, but he has recovered from this setback and starts off in third grade.
