THE SIN STORY . . . THE SUCKER STORY

"THE TIJUANA STORY" (A)

starring James Darren, Jean Wilkes

Today Hughie Banks plays his 100th first grade game with the club. This in itself is a fine effort, but this player has been a credit to Rugby League, having never received a caution from any referee. All Waratah's players and officials wish him well and hope to see him when he completes his two hundred.

Newcomers to Maitland this season are Jim Tierney from Lithgow, Ron Madge from Manly, Kerry Rinklin from Taree and Bob Bailey from Sydney University.

Cliff McDonnell inspired Lakes Reserves to a win over Cessnock first up with his devastating tackling. Cliff couldn't remember the second half due to a bump.

Lakes' Bill Morelli had a fine debut in the lock forward position. Morelli from the Woy Woy club could be the find of the season.

"Tonda" Regan broke his "duck" first up as a coach for Lakes on Sunday. A suggestion was the boots made all the difference. All Lakes are with Tonda and his boys.

John Ryan, North's reserve half is showing grand form. His try to win the game last week was a real gem.

"Flapper" Farley playing his first game for two seasons turned in an excellent display for Macquarie against Kurri.

Byron Brown of North reserves is going to prove a threat to the first graders. Byron, formerly a centre, has turned to the forwards and is showing excellent form.

Friendship will cease on Saturday when Ronnie 'The Rock' O'Connor clashes with ex teammate Les Markham now with South. Early betting suggests the Rock will finish on top, due to him having a harder head.

West winger Brian Warby is after his first grade position of last season. Last week he was not included in any team but a series of incidents enabled him to play. First of all third grade winger R. Pryor was late. Then A. King was injured in reserves and Warby, being a replacement, played.

Once again its long odds on, that fantastic little footballer Billy Giles is going to finish high up in all awards given this season. His performance last week was in keeping with his usual great games.

Les Perry, North five eighth, is already showing good form and should soon reach the promise he showed as a junior.

Winners of Maitland best and fairest last week were Max McMahon, Gordon Matthews and Jim Morgan.

Plucky Cessnock centre Trevor Wilton showed great courage to continue against Lakes United with a badly gashed chin. Cessnock is well pleased with Wilton who has played top-notch league since joining the club.

Coach Don Schofield, centre Lester Batey and half Ray Muir are setting a scorching pace for members of Cessnock's younger brigade. The trio has been in splendid form in games played to date.

Winger Wayne Kembrey returns to Cessnock's first grade side today after suffering a nasty eye injury in the Caltex semi-final. Kembrey has loads of potential and supporters predict he'll have a top year.

## ENGLISH BACK ARRIVES

Wakefield Trinity versatile three-quarter, Colin Greenwood, has arrived in Sydney and will play with North Sydney this season.

Greenwood, who is a South African has been an outstanding player in English league for several seasons and he will be an asset in the North Sydney's team that so convincingly trounced the mighty St. George side last Saturday.
