AROUND THE CLUBS

The committee of Northern Suburbs wish to thank all players for their efforts during the past season and to the senior team, the best of luck in today's game and remind them that today they play for Northern Suburbs.

South Schoolboys Raffle, Sports Ground, August 21, Ticket No. A2068, winner Mr. R. Stewart, 23 Lockyer St., Merewether West.

Heartiest congratulations and best wishes go to Mike Jobbins, Kurri's Reserve Grade fullback who today marries Miss Ann Nicol. The boys today will miss Mike as he hasn't missed one competition game this season.

Yet another daughter has arrived in the Kurri camp, this time to Mr. and Mrs. Paul Sumner. Both mother and daughter, along with father, are doing fine.

West under 15 yrs. No. 1 team coached by Warren "Wassa" Sanders won the minor premiership, and Warren has high hopes to take out the major title. Winger Doug Green notched his 100 points in tries last game, truly a great effort, no wonder "Wassa" is so enthusiastic with him.

West captain Ray "Wagga" Johnson could well be the man of the match. He has the ability to score at any time. His strong running could well be the perfect foil for Wayne Hore and Owen "The Ghost" Kilpatrick, a tricky pair in attack.

Staunch West supporter Steve Brown made his week-ender at Lemon Tree passage available before the recent important game with Central. "Tight lines" was the order of the day but alas "Tag" Spruce was the only "fisherman" of the group catching the only one and it was a "monster". No doubt if West need it again Steve will again oblige.

West will no doubt depend a great deal on star hooker Allan "Prince" Buman, to give them a good supply of ball in today's semi-final. His direction from the dummy half will also have a big bearing on the outcome of this game.

West have two great tacklers in Dennis "Mouse" Rowston and "Tireless" Ted Curtis. These two seem to have a "contest" to see who can bring off the most tackles in a game. At present they rate about equal. West major hopes may well depend on their blanket defence.

Well at last we start the semis,
And our team knows what to do,
For we're gonna win the final,
That's the goal we have in view.
For with Wagga and his forwards,
To keep up West's tradition,
We've a bonny set of backs as well
Who keep in top condition.
So come on you supporters
For with talent we are blest,
Let us cheer like "Larry Doley",
And we'll show 'em West is Best.
