COLOUR FEATURETTES

FIRST FOR THIRDS

Northern Suburb's third grade side has created a record by being the Club's first team to participate in a third grade semi-final since the inception of the competition on a ten team basis, which was commenced in 1955.

This is because more young players are playing in this grade and they should be proud of their achievement.

The team's score is 14 wins, 2 drawn games and 2 losses in the 18 competition fixtures played.
