Carrington Notes

We are proud of the fact that in our initial year we have won the Minor Premiership and reached the finals which we contest to-day. We wish Central, our opponents, the best of luck and I know it will be a well-earned victory for the winning team.

We have had a highly successful year, losing only one game and that to Central. Through our open style of play we have gained many supporters and have had many inquiries in regards to Eastern Suburbs being reformed again for the 1951 Season. Opportunity to reform this old club has never been more to the fore. How do the League followers feel about it?

From our ranks have risen a number of players of whom I'm sure could find first grade positions. Two youngsters, Terry Curtin and Kevin Sadler, have a long way to go in the game and Arthur Pritchard is equal to any lock forward in the Newcastle District. I take this opportunity to thank Newcastle League and Northern Suburbs officials for their assistance and also our own band of officials and supporters who are all doing a wonderful job for the club.

Wishing you all the best for to-day's game, fella's. Keep that ball moving.

Sec.

North Notes

Congratulations to Maitland on their win over us last Sunday.

Congratulations are also in order to the Under 16 Team who won their final last Sunday, making the remarkable record of being undefeated for three successive years, also to Stockton Under 20 Team who won their final at District Park last Sunday.

Although the Seniors were defeated in the play-off for fourth position, we can be pleased with the record of the Club inasmuch that of the six competitions conducted by the Newcastle League and Junior League, the Club and its affiliated Clubs had 4 Minor Premiers, two of them having won their competitions and the other two playing a final and semi-final respectively to-day.

Found at the party was one pair of black kid gloves—owner can have same by contacting Secretary.

To-day we have the Reserves, who are Minor Premiers in this grade, in the semi-final and all the boys are confident of reversing the result when we played at Cessnock in the mud.
