Congratulations to Kurri on their win last Saturday. We've no excuses to offer for being beaten by a better team on the day.

The Reserves had another good win. A welcome reappearance was made by Charlie Smith and Bill McKenzie in this game. As both these players are former first graders with plenty of experience, it will keep those players now in the senior team on their toes.

The best wishes of the club go with Arthur Pritchard, who has accepted a coaching position at Mount Morgan. Arthur should do well in his new job as he has the ability and knowledge to make a good coach.

Congratulations to all those players who have been chosen for the Newcastle teams to play at Tamworth and Wollongong. The club has not had such a high percentage of backs in the rep. teams since the days of "Chip" Charlton and Arthur Toovey.

To-day we meet Cessnock in what promises to be a hard fought match and all the boys will be flat out to make amends for their defeat on Saturday.
