# NORTH

Congratulations to Kurri Club on their victory over us last week. We have no excuses to offer and on the day the better team won.

Congratulations also go to Charlie Gill, Brian Carlson and Doug Hawke who have made the Country Team to play City in Sydney today. The best wishes of all their clubmates go with wishes of all their clubmates go with them today.

It was bad luck for the Club but greater misfortune for Max Bailey when he was injured in the Newcastle v. North Sydney match. An ideal clubman, Max looked certain to represent Country and there is no telling how far he would have gone.

The Club is still looking for accommodation and any supporter knowing of any should contact the Secretary immediately.

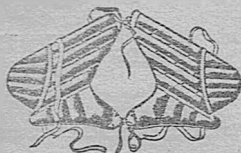

Since the Old Players v. Present Players game has been announced, there has been a rush of old players who want to strip again, namely, Dooksie Forbes, Les Dann, Allan Russell and others too numerous to mention.

Today we meet South and although we have players absent through injury and representative games we expect to make a good showing in our first game on the Sports Ground. Best of luck boys, and lets see if we can make it a double today.
