# NORTH

---

Firstly, as we have not appeared in the programme for three weeks we must congratulate our Bob Crane and Doug Hawke for their really fine games against the Englishmen. Newcastle's win was in no small way due to Bob's ability to win the scrums.

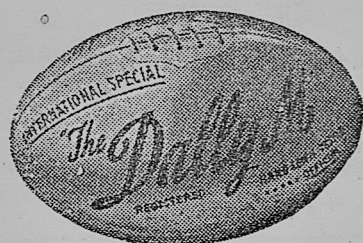

Congratulations are again in order to-day for Doug for his selection in the Possibles-Probables game in Sydney. We hope this is only a lead to bigger and better things for Doug who has proved himself such a good clubman over the past few years.

To-day we meet Maitland after our lengthy break due to rep. games and the bye, and with a re-organised team, supporters are hoping for a change in fortune against the strong Maitland team.

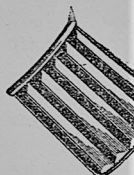

The Ladies' Committee are holding a Social in the Fire Station Hall on Monday, 7th June. Refreshments will be available at the Hall and all supporters are invited to attend. Any person wishing to purchase a ticket can contact any member of the Ladies' Committee or the Club Secretary.
