NORTH

Today we play our traditional rivals. The meeting of North and Waratah has always been regarded as a highlight of the season and today's game should be no exception, and may the best team win.

Eric Baber, who has been nursing an injury, is back today fit and well and we expect him to sharpen our attack.

Club thanks are extended to Frank Bonnar, for his great help last week. He is certainly a salesman plus.

Stan Farquharson is showing extra good form and his two tries last week were real beauties. Nice work, Stan.

Well, tonight is the Big Cabaret to be held in Fire Station Hall, Wickham. The proceeds are to go to Alf. Warburton, who suffered a badly broken leg earlier in the season. Everybody is invited.

Best of luck today boys and good scoring.

THIRD GRADE

Congratulations go to all players who put up such a fine performance when defeating Central last Saturday. Keep up the good work.

George Kapeen was one player who stood out, as his running with the backs paved the way for two tries. His goal-kicking was perfect, as he kicked seven goals from eight attempts.

A word must be said concerning our team manager Jack Hawley. Jack, although still a young man, is making every effort to satisfy the players' needs. If any item is needed by any player, notify Dr. Hawley and he is sure to fix you up.

Congratulations also go to Rex Morrissey who this week became a father for the first time.

NEWS WHEN HE MISSES

Country full-back Russ Naughton's consistency in kicking eleven goals recently recalls one of the best stories told by famous English team manager Bob Anderton.

Bob says that on the 1932 tour of Australia Jim Sullivan was kicking goal after goal.

A little fellow jammed in on the Hill could not see what was going on and had to keep asking spectators around him.

Suddenly a roar went up and the small one enquired what was happening. "Sullivan just kicked another goal," came the reply.

"Struth," said the little fellow, "by the row I thought he'd missed one."
