Come to where the flavour is

MARLBORO COUNTRY

DOWN in Waratah's third grade side is a player you will be hearing a lot of in the near future. His name—Peter Gaudry and if ever a player was destined for first grade he is surely the one to watch.

SOUTH NEWCASTLE third grade full-back Terry McNaughton, opened the season in fine style last Sunday with a solid effort. His personal tally was two tries and three goals for 12 points.

WEST first grade hooker Allan Dagwell played his 100 first grade games with the club and in fact, he has played over this figure. But West considered it was a bigger honour for him to lead the team out in a competition game than a pre-season one. So it is congratulations to you Allan from all your many admirers and may your career extend well into your second century.

GRAHAM MURNANE from Waratah makes his first appearance in the premiership games this week. Graham is one of the best prospects in Waratah and is set for a great season.

BRIAN SLADE made a great comeback with the Nocks with two slashing tries against his club of last year, Kurri. The former St. George star is determined to force his way back into first grade and will take a lot of keeping out.

ILL fortune fell on the Kurri club in their initial game with Captain Coach Bob Hensby. Also the losing of Ross Harris on his initial first grade game, with a broken wrist. Hoping you have a speedy recovery.

WE all at Maitland congratulate our representative players on their selection with a special word to Brian on his appointment as captain.

NEWCOMERS this season to the ranks with the Black and Whites are Peter Dimond, Geoff Druery, Lloyd Scott, Tom Llewellyn and Graham Rollinson and we hope that their stay with Maitland is a long and happy one.

NORTH'S third grade side played some very entertaining football last week and could be considered a little unlucky not to have at least played a draw with the strong South side. This side should win many games throughout this season.

SURELY one of the best performances seen at Townson Oval for many years was the effort of Cliff Ireland for Souths. He collected top points in all the awards in a display that was a credit to the game of Rugby League and a model to any aspiring junior.

NORTH'S first grade winger, George Curtis, showed up very well in his first premiership game. His strong running and defence being a feature of his game. "Keep up the good work George".

DALLAS DAVEY, North's reserve grade captain played a big part in his teams win over South last week. Other players to stand out were Joe Niszczot, Kel Sweetman and Neil Skelton.

IN the Maitland reserve grade we have a player Ross McKinnon who is destined to go a long way in the game, and in the absence of "Westie" could well fill the first grade position.

ALL North supporters hope Mark Witcom and Joe Brugnioni are out on the field in the very near future. Both players suffered injuries in last week's fixture.

MAITLAND coaches this season are Terry Pannowitz, Coogan Lawrence and Gus Ryan with the selectors being Merv Brennan, Barry Jennings and Terry Hunt.

IN Maitland reserve grade we have possibly the two smallest wingers in the competition, namely Freddie and Meggie. Both players have great ability and each time they receive the ball the crowd gets a great thrill.
