NORTH

Congratulations to both teams on their fine displays last week. The seniors showed greatly improved form and with a little luck should have won, whilst the reserve grade showed the form which will make them definite semi-final contenders.

Barry Redding's game showed he is back to his best form, and capped it off with a nice try and two good goals.

Doug Hawke showed a welcome return to form, and should now be a strong contender for rep. honours against France.

Harry 'Grunt' Smith is another of those behind the scene workers, doing a mighty job as trainer, and whilst he is very keen on football, mention fishing and he really goes off his head.

Stan 'Paddles' Gill who is having his first year in grade football is improving with every game and will most certainly be a contender for senior ranks in the future.

The Cabaret was a great success, and Allan Turnbull desires to thank everybody who helped and supported the show. 'Bo' again says thanks a lot.

NORTH THIRD GRADE

To-day we play South and all hopes are on a hard game.

Austin Anderson who was injured against Central is back this week and his speed should strengthen the back-line.

Ollie Davis played another sound game last week and his teamwork with Austin should be hard to match.

Another player who is showing good form is right winger Barry Asser, Barry who is also a keen Committee man seems to be out to tackle every man. This player would be badly missed.
