NORTH

Today we meet South on their home ground and expect a hard match from them as always. The Senior team has been re-arranged to include Tom Walters from Stockton and Morrie Morrissey and Alan Flanagan from Carrington, while the Reserves include Terry Curtin, Ian Constable and P. Sadler also from the Carrington and Stockton Clubs.

The Reserve grade side has shown improved form in the last three games, winning them all and are now definite semi-final prospects. In this grade, Stan Farquharson and Eric Long are showing outstanding form and there is no doubt that this combination has been largely responsible for the success of the team.

Two other teams who won last week were the Under 12's and 14's winning their games 6-nil and 15-nil respectively. These boys play exceptionally good football and many give promise of developing into first class footballers.

At present an inmate of Royal Newcastle Hospital is Johnny Webber. John, a well known player in both grades went down with appendicitis last Saturday and all players and officials wish him a speedy recovery.
