

## POINT SCORE

Last Saturday ended the Newcastle Rugby League's competition series and now we look forward to the semi-finals this afternoon.

Cessnock's position at the head of the first grade table was never in doubt but Western Suburbs with a late burst of good football eventually ousted Northern Suburbs from third position.

Western Suburbs had a very nice record in reserve grade and the side won all of its 18 matches. Maitland's third grade team also went through the competition undefeated.

## WOOLFORD CLUB CHAMPIONSHIP WON BY MAITLAND

Maitland United has won the Mal Woolford Club Championship narrowly from Cessnock by 4 points. Maitland's reserve and undefeated third grade combinations were greatly responsible in putting the Club in first position.

Lakes United who were the winners of this trophy last season finished in fourth position 38 points behind Maitland.

There was always a neck and neck struggle between Cessnock and Maitland teams to gain this nice trophy for season 1960 but Cessnock's defeat at the hands of Central last Saturday week proved very costly.
