Reserve Grade Semi-Final

Maitland 16 drew with Northern Suburbs 16

This match was drawn 11 all at full time, and an extra 10 minutes each way played with the scores still tied 16 all. Because North players George Huff and J.Passmore had been taken from the field on stretchers during extra time, a second 10 minutes each way was called off, with the replay to take place the following Saturday. Player George Huff passed away in hospital, which caused the First Grade game to be abandoned. See report page; 179.
