SITUATED RIGHT IN THE HEART OF NORTH TERRITORY

Great to see so many players and supporters flocking back to Norths Leagues Club for our awards presentations after every game this season.

It shows the great harmony which exists among the "Get Wet" Blues.

The awards are proving very popular and we are grateful to the following sponsors for their continued support:

1st Grade: Coaches Award-"GET WET", Players Player-"JOHN MILLER MOTORS"

Res Grade: Coaches Award-"GET WET", Players Player-"SCHWEPPE'S NEWCASTLE"

3rd Grade: Coaches Award-"GET WET", Players Player-"SEVEN SEAS HOTEL"

The awards are presented after all games, home or away. Everyone's invited.

Incidentally, following the away game against Macquarie, two players were the recipients of both awards available to their respective teams.

Alan Armstrong in Reserve Grade, and Darren Jackson in Third Grade won both the "Coaches Most Valuable Player" and "Players Player" for their performances on the night. Congratulations to both, and to 1st Grade Award Winners Peter Walker (Coaches Award) and Todd Anderson (Players Player).

Three new faces at Norths this season are Samoans Filu Attio, Steve Tavita and Patrick Tafu.

These guys are giving whole-hearted performances on the paddock and are proving to be fine ambassadors for their country and their club off the field as well. Filu has also let it slip that he is ranked in the national top five professional boxers in his weight division.

NB): Filu, Steve and Patrick appear for Norths courtesy "D. Fletcher Promotions"

Don't forget the big "FANCY DRESS NIGHT" at Norths on Sat Night 9th May. Admission is a mere \$2 and the night promises to be one to remember. Music will be provided by top band "FINELINE" who specialise in 60's and 70's light rock (Beatles, Eagles, etc.)

Should be a top show and if your'e "true blue" you'll be there.

One player who continues to improve is second-rower Rick McInnes.

Rick received one of the coveted "schooner" awards after his performance against Macquarie United and if he can maintain his effort looks set for a good season.

Norths popular President Brian "Hogwash" Donne has taken up employment with Joe Franco's concreting firm. Joe is a keen Norths supporter and sponsor, and it's good to see "Hogwash" back in the workforce, although his great efforts on behalf of the club whilst in temporary retirement will be sorely missed. He has asked for a few weeks pause before anyone puts the bite on him.

Peter Walker has fortunately shaken off the after-effects of his recent honeymoon and in his comeback to first grade had no trouble finding his way to the try line against Macquarie. Part of a much improved effort by the entire team.

FIRST GRADE — Kick-off: 2.45pm
