# BACK TO EARTH ....

After two great 1st grade wins over Kurri and Central at Passmore the 'wheels fell off' a bit at Maitland last week and we crashed back to earth with a thud.

The defensive committment was missing and suddenly we made Maitland look a far better side than they actually are.

In the lower grades although defeated there were many encouraging signs and it seems that a victory for "Chappo's Champions" is just around the corner.

Today's opponents, Lakes United are the most powerful outfit in the League and will be tough.

However the "BLUES" spirit is back this year and Lakes will know they've been in a game.

Don't forget the players awards at 6 p.m. back at North Leagues Club — Everyone is welcome.

## OUT OF THE BLUE . . .

Norths promotional activity continues today with the "Torqing Dolls" assisting our doubles & raffle ticket sellers.

We thank the girls and also our major sponsors "Get Wet" for again supplying discount vouchers to their chain of surfwear and surfgear stores.

Get Wet shops presently have in stock the fabulous releases in fashion leisure wear from all the top labels.

So "Get in to Get Wet" and get a bargain.

\*\*\*\*\*

Good to see Rick Dyke back in 1st Grade.

Rick has shown consistent good form in reserves and gets his chance today on the basis of that form.

\*\*\*\*\*

Another player whose consistency has been rewarded is Kent Lumsden.

Kent has alternated between prop and hooker but has regularly figured in our after-match awards presentations, a testament to his continued gutsy efforts on the paddock.

\*\*\*\*\*

Beat the Booze Bus! Use the Blues Bus!

**Date:** Friday night 29th May. **Time:** 5.00 p.m. **Place:** North Leagues.

\*\*\*\*\*

Ex 'Blues' playing with Lakes are in the wars this year.
